

California's First Theater

Needs Help!

Built in 1847 and closed for repairs for over a decade, restoration has begun but much more is needed (\$1.3 million).
Public funding is *scarce*.

Monterey State Historic Park Association
(a registered 501(c)(3) non-profit)
can't do it alone.

If you'd like to help bring back the First Theater, go to www.mshpa.org and click on
Contact Us.
